

STATISTICAL INFORMATION TO PUBLIC

Submitted by Deb Preston, Marin

I have received a letter from a member of the public requesting information on numbers of persons disqualified for non-citizenship in 2010. Although I realize we have not yet reported those figures to AOC, have any of you ever had such a request? How did you respond? I appreciate your feedback.

1	Therese Phelps	Plumas has not had such a request.
2	Sherry Spears	Fresno, I would forward the request to the senior research attorney in our court who handles all public information requests. If it was determined we should provide, then I would.
3	Diana Gifford-Tuggle	Shasta has not yet had such a request, should one be received we would process the same as Fresno.
4	Diane Collins	Mendocino County has not received such a request but we would also follow Fresno County's guideline.
5	Dolores Curiel	Neither has Merced
6	Arlene Cervantes	Riverside, we have not received a request like this from the public. I believe if we did we would inquire with our Legal Department first.
7	Lynda Pierini	Madera has not received such a request but inclined to turn it over to the legal research attorney.
8	Joe Yniquez	We haven't had a request like this before. It seems very odd that someone from the general public is requesting this information. I wouldn't release any info unless I got OK from our CEO or Presiding Judge.
9	Richard Goldner	I have had other requests, but not that one specifically.
10	Nellie Jaime	Not in San Bernardino County
