

PAY JURORS ABILITY

Submitted by Sherry Spears

June 1, 2011

I'd like to know if there are any courts that have the ability to pay their jurors daily if they wish, cut a check that same day or give cash and if so, what financial system you use to do so (Phoenix, in house, other) and how it works for you? Thank you in advance for any answers.

1	Kathleen Shambaugh	That would be a negatory from Contra Costa
2	Shana Simpson	Sacramento is the same as Contra Costa
3	Arlene Cervantes	Riverside we have the ability to pay our jurors daily via our NEXT GEN/JSI system but we prefer to process payroll once a week. The AOC will issue the check once they receive our payroll files.
4	Bea Gin	San Joaquin is the same as Riverside
5	Richard Goldner	As does Ventura, but we send our file to the A.O.C. every other week. (Biweekly
6	Diane Collins	Mendocino County does not have that function
7	Rose Hamblin	Kings County only pays once a week and we take care of it in house. We purchased the JSI Check Module and it works very well for us
8	Julie Griffith	Kern does not have that function
9	Diana Gifford-Tuggle	Shasta County process payroll every two weeks via JSI, checks are issues from AOC
10	Debbie Jurevich	San Benito only submits payroll when the trial is completed. If it were a long trial that extended for quite a few weeks we may consider submitting something on a weekly basis. Our payroll is submitted to the AOC for processing
11	Edwina Harper	Not in Yolo County
12	Cathi Scamara	San Luis Obispo can pay the jurors daily on the JSI system but the payroll goes through the AOC for processing so we are not able to issue a check or cash on the same day.
13	Deb Preston	In Marin we do not pay jurors daily
14	Morgann Halencak	Mariposa does the same as San Benito
15	Dolores Curiel	In Merced we process payroll once a week through Next Gen/JS and send to AOC. AOC will issue the check once they receive our payroll file.
16	Sabra Forbes	It's been Solano's goal to immediately pay jurors – we just haven't gotten there yet. We currently process payroll using JSI and cut checks ourselves from each court site. The AOC doesn't issue our juror checks. We transmit payment files exported from JSI, Jury Check module directly to Bank of America. The transmission doesn't occur until the payment files

		have been verified for accuracy and signed off by me. Once the transmission(s) are confirmed received by B of A, the checks are mailed. We process jury payroll weekly.
