Does your court offer child care services for jurors?

If so, is there a priority given to sworn or returning jurors over first day jurors.... if there isn't enough room for both?

1	Diana Gifford-Tuggle	Shasta County does not provide any child care.
2	Robyn Hauck	Yuba County does not offer child care services.
3	Stacy Warner	Trinity does not provide child care.
4	Sherry Spears	Fresno we don't advertise child care services since it could inundate the room but we do "offer" it for jurors who have childcare issues. Most decline the offer and we don't push it because sometimes the children are in school or the parent doesn't feel confident leaving their child in an unfamiliar setting.
5	Alison Blackwell	No child care at San Diego.
6	Therese Phelps	Plumas County does not provide childcare.
7	Karen Cardinale Ortega	Contra Costa does not provide child care for jurors.
8	Carol Sharek	None in Tehama County.
9	Kristi Kussman	Imperial does not provide for child care for jurors.
10	Edwina Harper	Yolo County does not provide child care.
11	Bea Gin	San Joaquin County does not provide child care for jurors - potential or seated.
12	Rose Hamblin	Kings County does not offer child care.
13	Dolores Curiel	Merced does not offer child care.
14	Debbie Jurevich	San Benito County does not provide any child care services.
15	Julie Griffith	Kern does not.
