

Juror Demographic Information:

Submitted by: Kathleen Shambaugh, Contra Costa

I know this question has been asked before but we are revisiting the issue of maintaining juror demographic information by gender, race, etc.

Do any of you continue to do that, how often do you sample juror demographics? If you don't sample at all, except for civil grand jurors, we would having that information, too.

1	Diane Collins	Mendocino County does not gather that information.
