

RETIRED PEACE OFFICER ELIGIBILITY

Submitted by Margaret Smith – Tuolumne

We have run into the issue of retired Sheriff as well as retired police officers who are working part time as either bailiff or other law enforcement capacity as well as non-law enforcement job duties who claim they are exempt from serving on jury duty. We are curious as to how other courts handle these situations as they arise your county.

1	Debbie Jurevich	Here at San Benito County we <u>do not</u> excuse them from service. We have run into this same problem with reserve officers as well as retired officers.
2	Diana Gifford Tuggle	Shasta: We do not exempt them as they are not "full-time" peace officers
3	Bea Gin	Same for San Joaquin
