

RELEASE OF NAMES – (JURY POOL)

When ordering your jury pools who receives a copy of the original list that has all the names of the prospective jurors that will be receiving a summons? Do you send a copy to the District Attorney's Office and the Defense Attorney's who have trials set on calendar for that particular jury pool?

I know this question has been asked before, but it has been some time ago and I was wondering if your procedure has changed in handling this situation or if you have a Local Rule that addresses this situation.

1	Fresno – Sherry Spears	No way, we wouldn't want them to have a copy of our pool! The only thing counsel will get is a list of the names when jurors are assigned to a courtroom for jury selection
2	Solano – Sabra Forbes	Solano does the same as Fresno
3	Madera – Lynda Pierini	We never release the names of jurors in the pool, when we assign jurors to a courtroom, we run the Alpha/Random list and seating chart and that is the only names they get. If you are referring to every juror receiving a jury summons for a given date. That is different than your jury pool. To me the jury pool is jurors physically sitting in your jury room waiting to go into court. Jurors who receive a jury summons for a given date, we do not release those names either, once in a great moon we have one attorney who will request those names ahead of time and we will provide that lists. Names only!!
4	Napa – Debbie Cravea	In Napa, the attorneys only get a list of the jurors sent to the courtroom for their particular case, and they have to stipulate to the random list otherwise all they receive is the alpha list only and a seating chart: They do not receive a list of ALL potential jurors either waiting to be selected or have receive a summons for a future date.
5	Stanislaus – Joe Yniquez	Stanislaus, our office is the only one that has the list of names. We'll then provide the list of names (alpha/random) when panel is sent to court.
6	Shasta – Diana Gifford-Tuggle	Same with Shasta County
7	San Joaquin – Bea Gin	San Joaquin does the same as Fresno
8	Yolo -	Yolo County does the same as Fresno
