

COFFEE AVAILABLE TO JURORS

MARCH/2010 & MAY/2010

Submitted by: Rose Hamblin, Kings & Jan Peery, Siskiyou

What is your policy regarding the availability of complementary coffee in your Jury Assembly Room? Kings County provides coffee to the Jurors in the Jury Assembly, while waiting to be assigned to a department, and then in the Jury Deliberation Room during trial. If coffee is available via a vending machine, please let me know what company you are using.
