

SB 319 BILL

Submitted by Kern County

August/2009

For those of you who do not have a formal sanction program, how do you interpret this proposed bill? It requires a second summons to be issued no earlier than 90 days after the initial failure to appear.

Los Angeles	The language says "The second summons may be issued no earlier than 90 days after the initial failure to appear." So a court may wish to issue a second summons after 90 days of the initial failure to appear or they may keep the schedule that they currently have. Los Angeles will keep our 1-year failure to respond time as it.
Tulare	Does anyone use a different summons for the 'after FTA" second summons? Can you email or fax to me?
